Our Story

Innovation That Turns Your Bathroom Dreams into Realities

At CETO, we pride ourselves on delivering top-tier bathroom products honed through more than 20 years of industry experience. Our goal is to establish a naturally-infused aesthetic identity that captures the core essence of crafting the ultimate bathroom art, customized for the Australian way of life. With a blend of minimalistic and contemporary elegance, our designs achieve a harmonious level of luxury and practicality. Explore an extensive array of styles, ranging from timeless classics to artisanal marvels, as we invite you to elevate your bathroom to new heights.

Beyond the ordinary, we surpass the mainstream to redefine bathroom decor, striving to blend modern design with uncompromising quality. Our dedicated team of industry-experienced craftsmen works diligently to ensure every detail meets our highest standards. In today's hectic and fast-paced world, our products aim to create a sanctuary that echoes with the tranquility of nature, providing a deep feeling of comfort.

WEBSITE

Industry Professionals

With more than two decades of experience, CETO has firmly established itself as a leader in the wholesale and commercial bathroom supplies sector. We proudly serve a loyal network of more than 270 retailers, and our commitment to growth continues as we welcome new customers into our fold.

Quality & Craftsmanship

We are committed to providing you with premium, enduring products designed to stand the test of time. Partnering with esteemed Australian leaders in design, innovation, manufacturing, and sustainability for more than two decades, we ensure the highest quality standards. Our products undergo rigorous design testing and quality controls, guaranteeing they exceed our lengthy warranty periods with exceptional performance.

Shaping a Sustainable Future

At CETO, our dedication to a sustainable future drives every facet of our work. We believe that by meticulously crafting vanity products with high-quality materials, we are not only creating superior items but also making a profound impact on the environment. Our commitment to sustainability extends beyond exceptional craftsmanship — it's a promise to nurture the world around us.

Design Concept

The Art of Pure Luxury

Guided by the principles of minimalism, CETO creates designs that blend the purity of Nordic aesthetics with the vibrancy of Australian living. This natural synergy between two distinct worlds creates a unique and immersive experience that transcends boundaries.

Our designs are more than aesthetics — they are a lifestyle. CETO's philosophy embraces simplicity and tactile richness, incorporating iconic V-groove that pay homage to both cultures, seamlessly intertwining them into a cohesive visual narrative.

Experience a harmonious lifestyle where modernity meets tradition, and every detail invites you to touch, feel, and connect.
